

WELCOME TO THE ACTION

At Beantown Statie Production Company, we believe great productions do not just happen - they are built with creativity, teamwork, and a little organized chaos behind the scenes.

Whether you have worked with us before or are just getting to know us, thank you for being part of our growing production family.

This season we are focused on bringing bigger ideas, better visuals, and unforgettable experiences to every project.

WHAT WE ARE ABOUT

Film & Video Production	Studio Rentals
Lighting Design	Production Support
Creative Development	Local Productions with Big-Screen Energy

BEHIND THE SCENES

What makes a great production? People often see the finished product - but the magic starts long before cameras roll.

Concept -> Planning -> Production -> Editing -> Delivery

Our goal? Smooth, creative, and fun.

FEATURE SPOTLIGHT

STUDIO RENTALS ARE OPEN!

Need a place to create? Our studio space is designed for video shoots, interviews, commercial projects, creative sessions, content creators, and team productions.

Flexible options available for projects large and small.

CUSTOMER CORNER

PRODUCTION TIPS FROM OUR TEAM

TIP #1

Good lighting beats expensive equipment.

TIP #2

Plan your shots before you shoot.

TIP #3

Shorter, stronger content often performs better online.

TIP #4

Have fun - people can feel your energy on camera.

MEET THE MISSION

Our mission is simple:

Create bold content. Build strong relationships. Deliver unforgettable experiences. Every project matters. Every client matters.
